

Road Safety - Speak to the Experts Day

Do you have any Road Safety related questions?

Do you require the most up to date information on Road Safety issues?

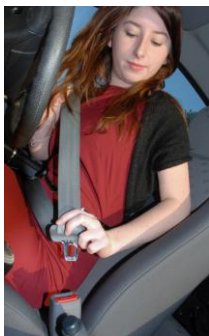

TRL has produced a one day “Speak to the Experts” session. This course provides attendees with the rare opportunity to meet TRL’s Road Safety Experts, to ask all the questions they want and to receive the most up to date information available, including an information pack of the material covered on the day.

“We all came away feeling that we were much better armed, having additional information to support the work that we do in schools and with the general public”

Val Currie – Acting Road Safety Education Team Leader, The London Borough of Bromley

Course Objectives

- To provide trainees with up to date knowledge and information of various aspects of road safety.
- Provide a course that is tailored to the requirements and interests of the attendees.

Topics Selection

The course can be tailored for your specific needs, some example topics are:

- Effects of drugs on driving
- Effects of fatigue on driving
- Driver distraction
- Child seats
- Seat belts
- Airbags
- Overloading
- Head restraints
- Heavy Goods Vehicle accidents
- Motorcyclist accidents
- Pedestrian accidents
- Different types of accidents e.g. frontal impacts, rollovers, impacts between vehicles of different sizes
- Types of injury received in different types of collision
- Tours of TRL’s facilities e.g. TRL’s car/truck driving simulators and Impact test facilities
- And much more...
